## GOLF GAMES

### Barnbougles Dunes Golf Course

**18 Holes, Par 71, 6185m**

Set on spectacular stretch of scenic coastline 1 hour from Launceston. True links golf by the sea. The natural undulations and ocean views have been used to create 18 superb holes. Natural flora and fauna, wild life and birdlife inhabit the area. Charming, unique cottages accommodate up to four golfers with breathtaking scenic views. Clubhouse boasts spectacular beach views with restaurant offering fresh Tasmanian produce and fine wines.

### Barnbougles Lost Farm Golf Course

**18 Holes, Par 72, 6263m**

Barnbougles Lost Farm is a 20 hole Links Golf course on Tasmania's north east coast. Designed and constructed by world renowned US golf course design company Coore & Crenshaw, the Lost Farm course is situated on Barnbougles Farm adjacent to the Barnbougles Dunes Course which opened in December 2004. Lost Farm was created with the intention of complementing the canvas provided by Mother Nature. It sits on the far bank of the river, and contains a mixture of terrain.

There are plenty of the high dunes for which Barnbougles is famous, but there is also a substantial flat area right at the heart of the property with fairways that roll both along the coast and inland. Boasting spectacular holes that wind along the coast, adjacent to the Forester River and inland towards the Tasmanian hinterland, Barnbougles Lost Farm is a breathtakingly beautiful golf course that is dramatically different and yet simultaneously complements both the surrounding landscape and Barnbougles Dunes.
