**Thurs 8<sup>th</sup> Feb**

**GOLF AT MILLBROOK GOLF CLUB with shared motorised carts**

**Pick Up 10am Tee Times 10.50am**

Set in a dramatic natural amphitheater of bare rock surrounded by the high snow-capped peaks of the Remarkables mountain range, a round of golf at Millbrook is both a test of golfing skills and an exploration of a unique natural environment.

The new nine holes have been designed with a common distinctive feature - multiple options from tee to green. Designers Greg Turner and Scott Macpherson have laid out the challenge through their works.

A golfer who plays shots successfully will be rewarded. With the recent addition of a further nine holes to the existing 18, golfers now have a choice of three different 18-hole courses.

**Pick Up 10am    Tee Times 11am**

Today we are going to play Jacks Point again. It's almost guaranteed that you loved the course earlier in the week, and that with that experience, you'll play here again today even better. Designed with minimal excavation, the 6388 metre (7088 yard) course is built on the most spectacular of Jack's Point terrain. Just as the rough-hewn stone walls adjacent to the fairways evoke its high country farming heritage, so the entire Jacks Point golf course has been designed to take advantage of its history and terrain.
